*You may purchase the entire outfit from Tuxedo Wholesalers. They often have used tuxedo jackets and trousers that are significantly reduced. Calling the number on the website (800-828-2802) helps to prevent errors in choosing the correct size and product. You can also get pieces at Savvi in Southdale. You can also rent all the items from Savvi. If you singer already had a tux and it does not match the specifications above, DO NOT purchase another one. Variety in tuxedos is not that noticeable. You will, however, have to purchase the silver vest and tie through Tuxedo Wholesaler. You will have to do that if you purchase your tux through Savvi also. Please check with your choir coordinator with any questions.
