

ANGELICA CANTANTI – 2009 SNOW DAYS CAMP CAMP RULES

Failure to follow the camp rules could result in your being sent home.

1. Departure from dormitory or lodge: All singers must be accompanied by an adult at all times. This is a camp rule. If a parent is picking you up to leave camp, you must tell a chaperone before you go.
2. Respect camp property indoors and out.
3. Quiet time begins at 11:00 pm. Other groups may be using the camp.
4. No walking, running, or jumping on chairs, tables, or beds.
5. All snacks are to be kept in your rooms and covered. Clean up after yourself.
6. Arrive promptly for meals. Breakfast begins at 8:00 am, lunch begins at 12:00 noon, and dinner begins at 5:00 pm. Use good manners and appropriate behavior in the dining hall, as elsewhere. Pick up after yourself and leave the table as you found it. You may not be in the dining hall other than mealtimes.
7. There will be clean-up on Sunday and no one will be dismissed until the room is okayed. This includes both dormitories and lodges. All packing and clean-up must be done before lunch.
8. Remember, your chaperones are your parents “away from home” and they have full authority. Show them respect.
