SAMPLE SIZES

You may try on a size before or after rehearsal on Thursday, Sept., 12 and Sept., 19. We recommend selecting one size larger, because your singer will grow. We must place group order on Sept. 23, in order for it to arrive on time.

ALTERATIONS

Singers are responsible for their own alterations.

IMPORTANT

Cantabile blue dresses must be hemmed by a professional. The fabric is tricky to create a smooth unnoticeable hem. You must use a professional seamstress that can do a **blind/invisible hem**. Please contact our office for recommendations.

Dresses should be shortened to lay 2 inches right below the knee.

***Do not hem right at the knee. Be sure the dress is covering the knee.**

Please remember to include extra fabric in the hem so dress can be adjusted and let down as the singer grows taller.

DATES

Dresses will arrive by Thursday, October 24.

Please make arrangements for alterations between Oct. 25 - Nov. 13

Our dress rehearsal is Thursday, November 14, 2024.
